R. R. M. (RULY) CARPENTER III

R.R.M. (Ruly) Carpenter III became President of the Philadelphia Phillies on Nov. 22, 1972, succeeding his father, R.R.M. (Bob) Carpenter Jr., who stepped up to Chairman of the Board.

At the time, Ruly was 32 years of age. It made him the youngest club president in the big leagues. Similarly, Bob Carpenter was the youngest president in the majors (28) when the Phillies were purchased from William Cox, Nov. 23, 1943, by Bob's father.

Ruly played three years of varsity baseball and football at Yale University, from which he graduated in 1962 with a B.S. Degree in American Studies. In football, he was a two-way end on the 1960 undefeated Yale team. He captained the baseball team his senior year.

Following graduation, Ruly served as assistant baseball coach at the University of Delaware while taking business administration courses there.

Before Yale, Ruly lettered in football, baseball and basketball at Tower Hill School in Wilmington, Del. He graduated from Tower Hill in 1958.

Ruly began working in the Phillies front office in 1963. He spent two years in the accounting department before moving on to the minor league system where he worked under Paul Owens and Dallas Green. He was the club's secretary and assistant treasurer at the time he assumed the President's duties.

Ruly, born June 10, 1940, is married to the former Stephanie Conklin. They have three children, sons Bobby and David and a daughter, Lucinda. The Carpenters reside in Montchanin, Del.

PAUL OWENS

Minor league player, playing-manager, manager, scout, farm system director and vice president-director of player personnel. That's the baseball history of Paul Francis Owens, the Phillies chief when it comes to the playing end of the operation.

Owens, 51, (2/7/24 birthdate) got started in the pro ranks as a first baseman in the St. Louis Cardinals chain in 1951. He climbed up the ladder, becoming the Phils farm director on May 22, 1965 and succeeded John Quinn as general manager on June 3, 1972. A little more than a month after he became GM, he replaced Frank Lucchesi as field manager of the Phillies.

His scouting career began in 1959 and his territory included southern California, Arizona, New Mexico, western Colorado and southern Nevada. Among the players he signed as Barry Lersch, Gary Sutherland, Darrell Sutherland and Kenny Reynolds.

A 1942 graduate of Salamanca (NY) High School, Owens spent three years in the service, two years in Europe during WW II as a sergeant in a U.S. Army engineering company. While in the service, he met Marcelle Leclercq. They were married in Liege, Belgium, on Feb. 23, 1946.

After returning to the states, he enrolled at St. Bonaventure University, graduating with a B.S. Degree in Physical Education in 1951. During the off-season of his early baseball career, he taught phys ed and coached football, basketball and baseball at his high school in his native Salamanca, N.Y.

Paul and Marcelle are the parents of two sons, Danny 24 and Pat 25. The Owens reside in Sewell, N.J.

WILLIAM Y. GILES

Baseball has been the entire life of William Yale Giles, the Philadelphia Phillies Executive Vice President.

Born in Rochester, N.Y. on September 7, 1934, Bill moved to Cincinnati as a boy when his father, Warren C. Giles, became General Manager of the Reds. While attending high school and Denison University, Bill worked in the Reds' front office during the summer months for Gabe Paul, who succeeded Warren Giles as general manager. Bill graduated from Denison in 1956 with a B.A. degree and major in economics.

Following a three-year stint in the Air Force, he joined Gabe Paul as his administrative assistant in the Reds' front office. In 1960, Bill was Business Manager of the Reds' Nashville farm team in the Southern Association. The younger Giles joined Paul again in November, 1960, after Paul went on to the new Houston franchise as general manager. Bill assumed duties as the administrative assistant. During his nine-year career with Houston, Bill handled the combined role of Traveling Secretary and Publicity Director; then Director of Public Relations and Promotions in 1964 and Vice President in 1967.

Bill Giles joined the Phillies organization on October 10, 1969, as Vice President, Business Operations, as the Phillies prepared to move into Veterans Stadium. By the time he had reached age 37, Bill had been through the building and opening of the fabled Astrodome and beautiful Veterans Stadium.

More than three years after joining the Phils, he was named Executive Vice President, thus becoming the chief administrative officer of the club, filling in for ownership in its absence. He also is the club's chief representative in community affairs, plus sales, promotions, stadium operations, public relations, tickets, merchandising, radio and television, scheduling and cancellation and postponement of games.

Bill, his wife, Nancy Kirwin, whom he married in 1954, and three sons, Michael (6-2-59), Joseph (5-11-62) and Christopher (9-27-65) live in Gladwyne, Pa.

G. Theodore (Ted) Harrison came to the Phillies with a perfect background for dealing with the day-to-day financial problems of a major league sports team.

His father, George F.H. Harrison, Vice President and Director of Finance, is the senior member of the Phillies Executive Staff, having been with the ballclub since December, 1946.

Ted Harrison received a B.S. in Accounting from Lehigh University in 1961 before serving as a Lt. j.g. in the United States Navy Supply Corps.

Harrison was a C.P.A. with Arthur Andersen and Company of Phila for two years before joining the Phillies as Controller in February, 1968. He was promoted to Secretary-Treasurer in January, 1973.

Born October 5, 1939, in Camden, N.J., he attended Haddonfield Memorial High School and graduated in 1957. Ted is married to the former Barbara Baumner; they have four children, David, Matthew, Mark and Stephanie.

The Harrisons reside at Barclay Farms in Cherry Hill, N.J.

GEORGE F. H. HARRISON

George F.H. Harrison, Vice President and Director of Finance, is the senior member of the Phillies executive staff, having been with the ball club since December, 1946.

Harrison came to the Phillies as controller following 15 years as a Certified Public Accountant with the public accounting firm of Coopers and Lybrand, formerly Lybrand, Ross Bros. and Montgomery. Two years later he was elevated to Treasurer. In 1966, Harrison was named Executive Vice President in addition to his Treasurer title and elected to the Board of Directors of the Phillies.

With the minor reorganization and classification of the executive titles and duties in January 1973, Harrison became Vice President and Director of Finance, continuing his director's duties of the Board.

Born in Philadelphia on July 17, 1912, Harrison graduated from Pottstown High School in 1929 and Pierce College in 1931.

He is married to the former Dorothy Krise. They reside in Haddonfield, N.J. and are the parents of two children, Mrs. Patricia Vranesza of Vienna, Va., and G. Theodore Harrison, of Cherry Hill, N.J., who is presently Secretary-Treasurer of the Phillies.

THE PHILLIES MANAGER

3—OZARK, Daniel Leonard (Danny)

Age: 51, turns 52 on Nov. 26 ... Born — Buffalo, N.Y., 11/26/23 ... Home — Vero Beach, Fla ... B-R, T-R ... 6-3, 210 ... 1942 East High (Buffalo) grad ... The Phillies of 1974 continued the steady improvement under Danny Ozark that they have shown since his hiring before the 1973 season. The 1974 Phillies finished third, the club's highest finish in 10 years. Their 1974 record improved by nine wins over 1973, the biggest increase in the Eastern Division for the second straight season. During last summer, the Phillies held the top spot in the East for 51 days, spending nearly the entire month of June in first place.

Danny received a new two-year contract from team President Ruly Carpenter on July 31 and kept the Phillies in contention until a three game sweep by the St. Louis Cardinals in mid-September finished the club for '74.

Ozark came to the Phillies Nov. 1, 1972, after 31 years with the Dodgers organization ... Began pro career as a second baseman, but switched to first base after first pro season ... 1963 Pacific Coast League Manager of the Year ... Los Angeles Dodgers Coach from 1965 to 1972 ... Managed Dodgers Arizona Winter Instructional League team for two years.

Apparently on way back, knee gave way in early November and surgery was necessary ... Considering his condition on opening day of the 1974 camp, his recovery was remarkable ... While "Twitch" was the most involved, a major part of the credit for the recovery belongs to Trainer Don Seger ... Was reinstated on May 23rd, six months and two days after surgery ... First game, May 26th ... First start, 8-5 win over Mets, June 22nd, 2nd game.

From 5-9, 4.05 year in 1972, Twitch blossomed into an all-star pitcher the next season, 13-9, 2.50 ERA which was third in league ... Pitched in all-star game.

Hobbies: duck hunting and fishing ... Spent a lot of off-season time building up knee by walking, riding bike and mountain climbing ... Added another quarter to his college education; he's a junior, majoring in recreation.

Career shutouts: 6 (5 in 1973 and 1 in 1972) ... Career high for strikeouts in a game, 8, 9 different times, seven in 1973 ... Most walks game, 7, 6/5/73 at Houston, 4-0 win ... Longest winning streak, 4 games, 1973 ... Losing streak, 6 games (lost final 6 decisions of 1974)

RULES OF INTEREST

QUALIFICATION FOR BATTING CHAMPIONSHIP—highest batting average and 502 or more plate appearances.

QUALIFICATION FOR PITCHING CHAMPIONSHIP—lowest ERA and 162 or more innings pitched.

QUALIFICATIONS FOR A "ROOKIE"—a player shall be considered a rookie unless, during a previous season or seasons, he has (a) exceeded 130 at bats or 50 innings pitched in the major leagues; or (b) accumulated more than 45 days on the active roster of a major league club or clubs during the period of the 25-player limit (excluding time in military service).

PLAYER LIMITS—40 until opening day when number must be reduced to 25. After August 31 roster can be increased to 40 members.

NEW SAVE RULE—adopted 1/30/75—The new relief pitching rule requires relief hurlers to qualify under three categories in order to get credit for a save. The new rule 10.20 tells official scorers to credit a pitcher with a save when he meets all three of the following conditions:

(1) He is the finishing pitcher in a game won by his club; and (2) he is not the winning pitcher; (3) he qualifies under one of the following conditions:

(a) He enters the game with a lead of no more than three runs and pitches for at least one inning; or (b) he enters the game with the potential tying run either already is on base or is one of the first two batsmen he faces; or (c) he pitches effectively for at least three innings.

TRADING REGULATIONS—(Players are available on waivers in reverse order of standings, at the time waivers expire, if more than 30 days after start of season; otherwise in reverse order of standings at close of preceding season.)

CUPPED BATS—An indentation in the end of the bat up to one inch in depth is permitted and may be no wider than two inches and no less than one inch in diameter. The indentation must be curved with no foreign substance added.

DOCTORED BAT NOW MEANS EJECTION, SUSPENSION—If a filled or "doctored" bat is used, the player is to be ejected from the game and suspended three days. Any balls hit by an illegal bat do not count. If the umpire sees the illegal bat before it is used, he issues a warning, but there is no penalty.

INTER-LEAGUE TRADES

A second period of inter-league trades now is allowed between March 16-31. Inter-league trades previously had been allowed only from five days after the close of the World Series until midnight the night before the final day of the winter meetings (Friday). No waivers necessary during the two inter-league trading periods. Midnight prior to the last day 1974 winter meetings—Midnight March 15—Waivers necessary in assignor's league; waivers also necessary in assignor's league from Midnight—March 31 until midnight—June 15.

Midnight, June 15—Midnight, the last day of the season—Major League waivers necessary.

Midnight, the last day of the season—Midnight to fifth day after World Series—waivers necessary in assignor's league.

TRADING WITHIN LEAGUE

Midnight, the last day of the season—Midnight, June 15—No waivers necessary
Midnight, June 15—Midnight, the last day of the season—League waivers necessary.

FREE AGENT DRAFT RULE—A BRIEF SUMMARY: Major League and National Association clubs meet twice a year for the purpose of drafting free agent player talent. . . Selection of a free agent entitles the club to the exclusive right of negotiation with that player for a specified period (from date of selection until 15 days prior to next draft meeting.)

Approximate date of draft meetings: Summer (June 4-5) and Winter (2nd Thursday in January)...

There are two phases to each draft meeting:

(1) Regular Phase—selection of free agents in inverse order of major league standings. . . Limitations on number of selections by each organization at each level: Major League (1), "AAA" (1), "AA" (1), "A" (unlimited). . . Minor League clubs select in the same relative order as their parent clubs.

(2) Special Phase—selection of free agents who had been drafted at a previous meeting, but who were not subsequently signed before the negotiation right expired. . . It is possible for a club to redraft a player whom it had been unable to sign after the original selection, but only with express written consent of that player. . . Order of selection in the special phase is determined by lot.

GAME WINNING RBI—the run that gives your team a higher final total than your opponent.

PHILLIES HISTORY

The first game in National League history was played in Philadelphia in 1876, the Philadelphia Athletics facing Boston on April 22 at 25th and Jefferson Streets. The Philadelphia entry, however, didn't last the season and so the Quaker City was without representation in the National League until 1883. Alfred J. Reach purchased the Worcester, Mass., club and moved it to Philadelphia, adopting "Phillies" as the official team name, a takeoff on Philadelphia or Philly.

The Phillies' initial game was a 4-3 loss to the Providence Grays, before 1,200 at Recreation Park, 23rd Street and Ridge Pike. Bob Ferguson managed the Phils in that first game, May 1, 1883.

In 1887, the Phillies moved into a new "magnificent park" at Broad and Huntingdon Streets, which was later to become known as Baker Bowl (capacity 15,000). An estimated 20,000 jammed the park for the first game on April 30 and saw the Phillies maul the New York Giants, 19-10.

One of baseball's biggest disasters struck the Phillies in 1903. Twelve persons were killed and 232 injured when the left field bleachers collapsed after fans had climbed to the top row to get a better view of a near-by fire.

The Phillies' owner in 1910, Horace Fogel, started a personal campaign with the press to change the name of his club. "The name Phillies is too trite and Quakers (as they were sometimes called) stands for peaceful people who will dodge a fight. We're not going to be that way. We're going to fight. Why don't you fellas call the club the 'Live Wires'." Fogel pleaded of the press. His efforts went for naught.

Baker Bowl, which had a short right-field line (280 feet) and a rather deep left field (341) became the site of the World Series in 1915 as the Phillies won their first league title. The Boston Red Sox, however, took the World Series, four games to one.

In 1927, the Baker Bowl wooden bleachers again gave way and the Phillies, through the graces of Philadelphia Athletics' owner John Shibe, were invited to play at Shibe Park until the necessary repairs could be made. "I remember our first game in Shibe Park very well," recalled the late owner Gerry Nugent. "It was the day Lindbergh arrived in Paris."

Back to Baker Bowl went the Phillies, who played the first Sunday baseball game in Philadelphia there in 1934, losing to Brooklyn, 8-7.

The Phillies moved permanently to Shibe Park on July 4, 1938 after 51 years at Baker Bowl. The Phils lost the first game to Boston, 10-8, but came back behind the pitching of Claude Passeau to win the nightcap, 10-2.

Late in 1943, the Phillies were sold to R.R.M. Carpenter, Jr., current owner. Between Reach and Carpenter, nine others owned the club. To stimulate interest in the club, a contest was conducted to find a nickname for the Phillies. For 1944 and 1945, the club was known as the Blue Jays, although they still maintained the official "Phillies" title.

Seven years after Carpenter took over, the Phillies rose to become National League champions, second time in club history. Again, the World Series crown eluded them, as the New York Yankees swept the series, 4-0.

Bob Carpenter, after 29 years as the club president, moved up to Chairman of the Board on Nov. 22, 1972. He was succeeded by his son, Ruly Carpenter, as president.

After 32 1/2 seasons in Shibe Park-Connie Mack Stadium in which the Phillies won 1,195 and lost 1,328, the club moved into the spectacular new Veterans Stadium for the 1971 season.

The Philadelphia Athletics won the first game at Shibe Park, 8-1, over Boston on April 12, 1909. The Phillies won the park's finale, 2-1 over Montreal on Oct. 1, 1970, a 10-inning battle.

In the first game played in the 56,731 seat Veterans Stadium, the Phillies defeated the Montreal Expos 4-1 on April 10, 1971.
